Editorial of the journal:

sports creativity journal is periodical scientific and Free publishing and open access And indexed in international databases journal Issued by the Institute of Science and Technology of Physical and Sports Activities in Mohammed Boudiaf University in Msila Algeria every six months. It Allows for all scientific contributions in Algeria And abroad, which is characterized by quality, originality and editing in one of the three Arabic, French or English languages, which has never been published. The journal aims to disseminate original scientific researches by researchers, professors and doctoral students in order to disseminate knowledge and learn about new research and to link communication between researchers and contributing to the quality of scientific researches It also aims at providing access to researches and studies for as many researchers as possible through its printed and electronic publications. Where it publishes researches that are related to the field of science and technology of physical and sports activities, including: • Medical and biological sciences applied to physical activities • The biomechanics of sports movement • Physiology of sports practice • Educational Sports • Sports training • Sports psychology • Sports sociology • Teaching physical and sports activities • Sports media • Sports and Health • Sports and leisures • Physical and sporting activities adapted • Management and sport administration The magazine includes an international reading committee composed of specialized experts Who are recognized for their competence and experience and from various national and international universities .

افتتاحية المجلة

مجلة الابداع الرياضي

مجلة دورية علمية محكمة مجانية النشر ومتاحة الوصول (القراءة والتحميل) ومفهرسة في قواعد بيانات دولية ، سداسية (جوان – ديسمبر) ، يصدرها معهد علوم وتقنيات النشاطات البدنية والرياضية بجامعة محمد بوضياف بالمسيلة الجزائر كل ستة أشهر.

تتيح لجميع الاسهامات العلمية في الجزائر وخارجها المتسمة بالجودة والأصالة والمحرورة بأحدى اللغات الثلاث العربية أو الفرنسية أو الانجليزية والتي لم يسبق نشرها.

وتهدف المجلة الى نشر البحوث العلمية الاصيلة من طرف الباحثين والاساتذة وطلبة الدكتوراه قصد تعميم ونشر المعرفة والاطلاع على الابحاث الجديدة وربط الاتصال والتواصل بين الباحثين والمساهمة في جودة البحوث العلمية ، كما تهدف الى اتاحة الاطلاع على البحوث والدراسات لأكبر عدد ممكن من الباحثين عبر اصداراتها المطبوعة والالكترونية.

حيث تنشر الأبحاث التي لها علاقة بميدان علوم وتقنيات النشاطات البدنية والرياضية ومنها:

- العلوم الطبية والبيولوجية في الانشطة البدنية - البيوميكانيك الحركة عند الرياضة - فسيولوجيا
- الممارسة الرياضية - علم النفس الرياضي - علم الاجتماع الرياضي - تدريس الانشطة البدنية
- الرياضية - الرياضة والصحة - الترويج الرياضي - الادارة والتسيير الرياضي - الاعلام الرياضي -
- النشاط البدني الرياضي التربوي - التدريب الرياضي - النشاط البدني المكيف وتضم المجلة لجنة

قراءة دولية مكونة من خبراء مختصين والمشهود لهم بالكفاءة والخبرة من مختلف الجامعات الوطنية والدولية .

Conditions for publishing in the journal :

The journal receives the scientific researches and studies specialized in sciences and techniques of sports and physical activities. These researches are the subject of arbitration of the academic scientific research standards and conditions by teachers, expert researchers and specialists from Arab and Foreign countries. The strict conditions of the scientific journal must be

respected on the research.

Thus, respecting the scientific research rules in the sent articles such as documentation, bibliography and footnotes, is essential for its evaluation.

It is necessary to respect of the following conditions:

1- The research should represent new scientific information, theoretically or practically, concerning the sciences related to the sports and physical activities.

It must not be published before.

2- The researches and articles are published in Arabic as well as in English and French.

3- The research must be correctly written and its spelling must be checked. It must be done according to the conventional scientific research rules of preparing and publishing scientific researches and studies including (introduction, key words, problematics, goals, the importance of this research, previous studies that are related to this research, pilot study, the used approach in the study, the study sample, the used tools in the field study, the scientific conditions of the tools, the relation between the research results with the theories and previous studies).

4- The research must be written in WORD, with (Sakkal Majalla) (normal 13 for the research, 14 in bold for principal titles). The margins of page are established "16/23" as follows: (top: 02 cm), (bottom: 02 cm), (right: 02 cm), (left: 02 cm), (space between lines: 01 cm).

5- The number of pages of the work, which is represented for publishing, must not exceed 15 pages.

6- The journal publishes the individual researches and the ones done by the authorized teams of research.

7- The first page of the research shall contain: Name of the researcher, abstract

of this research written in the language used in the research and one of the left languages. Nevertheless, when the researches are written in foreign languages, here; the researcher should write an abstract in Arabic.

8- The research must be the subject to arbitration by experts in the domain.

9- The journal reserves all the publishing rights.

10- The journal is not responsible of the consequences concerning the intellectual property rights. The researcher shall bear all the consequences.

The researches shall be sent through the Algerian Scientific Journal Platform via the following link:

<http://www.asjp.cerist.dz/en/submission/316>

شروط النشر بالمجلة:

تستقبل المجلة البحوث والدراسات العلمية المتخصصة في علوم وتقنيات النشاطات البدنية والرياضية ، وتخضع هذه البحوث لمعايير وشروط التحكيم في البحث العلمي الاكاديمي ، ومن طرف اساتذة وخبراء باحثين ومتخصصين من دول عربية واجنبية ، وتطبق فيها شروط المجلات العلمية المحكمة وعليه فان اعتماد الاصول العلمية في المواد المرسله الينا من توثيق ومراجع وهوامش هو من الامور الاساسية في التقييم حيث يتطلب الشروط التالية:

1- أن يمثل البحث إضافة علمية من الناحية النظرية أو التطبيقية في العلوم المرتبطة بالنشاطات البدنية والرياضية ، والا يكون قد نشر من قبل.

2- تنشر المجلة البحوث والمقالات باللغة العربية كما يمكن نشر البحوث باللغتين الإنجليزية أو الفرنسية.

3- أن يكون البحث مكتوباً بلغة سليمة ومدققاً لغوياً، ويعتمد الأصول العلمية المتعارف عليها في إعداد ونشر البحوث والدراسات العلمية، بما في ذلك : (مقدمة البحث ، الكلمات المفتاحية ، إشكالية البحث ، أهداف البحث ، أهمية البحث ، الدراسات السابقة والمرتبطة بالبحث ، الدراسة الإستطلاعية ، المنهج المستخدم في البحث ، عينة البحث ، الأدوات المستخدمة في الدراسة الميدانية ، الشروط العلمية للأدوات ، ربط

نتائج البحث بالنظريات والدراسات السابقة)
4- يكتب عنوان المقال والكلمات الدالة للدراسة بثلاث لغات (عربية / فرنسية/ انجليزية)
، ويحتوي المقال على ملخص بلغة المقال وملخص باللغة الفرنسية في حدود (150-250
كلمة) ، إضافة الى ملخص مطول في صفحتين في حدود (400-450 كلمة) يكون في نهاية
المقال.

5- تحتوي الورقة الاولى للمقال على معلومات الباحث او الباحثين (الاسم واللقب ،
الرتبة ، مخر الانتماء ، الجامعة المستخدمة ، الهاتف ، البريد الالكتروني) ، ويمكن
تحميل نموذج ورقة المقال من دليل المؤلفين للمجلة عبر المنصة.

6 – تكتب البحوث وفقا لنظام WORD ، بالنسبة للغة العربية بخط Sakkal
Majalla

(13عادي للبحث ، 14داكن للعناوين الرئيسية) وبالنسبة للغة الإنجليزية والفرنسية
فتكتب بنفس الخط (13Sakkal Majalla عادي للبحث ، 14داكن للعناوين الرئيسية)
ويتم تحديد الهوامش على الورقة 16/23 " " كالتالي (أعلى: 2 سم أسفل: 2 سم أيمن:

3سم) (أيسر 2 سم) ، (التباعد بين الأسطر 1 سم)

7- يتم ادراج المراجع على متن البحث (اسم المؤلف ، السنة ، الصفحة).

8- أن لا تتجاوز صفحات البحث المقدم للنشر عن 15 صفحة

9- تنشر المجلة البحوث الفردية والبحوث المنجزة من طرف فرق البحث المعتمدة) مع
ضرورة ارفاق قرار الاعتماد وارساله عبر بريد المجلة في المنصة او عبر بريد رئيس التحرير
(، كما تنشر المجلة الدراسات التي هي جزء من اطروحة الدكتوراه و التي تحمل اسم
الطالب والمشرف (ارفاق اشهاد بالنشر المشترك ممضي من الطرفين ومكتوب بخط
اليد والموجود بدليل المؤلفين ، وهذا بارساله على بريد المجلة بالمنصة او عن طريق البريد
الالكتروني لرئيس التحرير).

11 – تخضع البحوث المقدمة للتحكيم من قبل خبراء مختصين في مجال البحث.

11 - تحتفظ المجلة بجميع حقوق النشر.

12- المجلة غير مسؤولة عن اي تبعات تتعلق بحقوق الملكية الفكرية ، ويتحمل صاحب

البحث كل ما يترتب عن ذلك.

13-ترسل البحوث عبر الأرضية الوطنية للمجلات العلمية على الرابط التالي:
