Preface

The Algerian Journal of Signals and Systems: "AJSS" is a publication which is issued quarterly of the Laboratory of signals and Systems at the institute of Electrical engineering; University M'hamed Bougara of Boumerdes.

Papers dealing with all aspects of electrical systems and signals are considered for publication. Manuscripts must be in English, original and should not be under consideration for publication by any other journals. The authors are invited to send both the pdf and Word files of their papers using the journal email.

This *Journal* is dedicated to the memory of **Pr. Larbi Refoufi** who passed away on February 1, 2015 at the age of 60 "to God we belong, and to him is our return". **Pr. Larbi Refoufi** is the former director of the research laboratory who has put the first stone of this publication.

We are convinced that «Algerian Journal of Signals and Systems" will provide the opportunity to publish papers with authentic and insightful scientific and technological information on the latest advances in electrical and electronic engineering. We are looking forward to your submissions to our Journal.
