Applied Biology in Saharan Areas

ABSA

Volume : 03, Number : 04

December 2021

Editorial Board

Journal Managing Director:

Pr. Makhloufi Ahmed, University Tahri mohamed

Editor-in-Chef and Director of Journal:

Pr. Ahmed Makhloufi
Faculty of Natural Science and
Life
University Tahri Mohamed,
Bechar, Algeria
BP 417 Bechar (08000) Algeria
e-mail :mahkloufi.ahmed@univ-

Editorial Members:

Pr. Houcine Benmehdi, U. Tahri Mohamed,
Bechar, Algeria
Pr:González Díaz Jesús, Departamento de
Química Orgánica, Instituto Universitario de
Bio-Organica “Antonio Gonzalez”, de La
Universidad de La Laguna, La Laguna,
Tenerife, Spain

International Editorial Review Board

Pr. Abdellah Moussaoui (U. Tahri Mohamed ,Bechar ,Algeria)
Pr. Abdelouahid Djamel Eddine (U. Tlemcen- Algeria)
Pr. Jesús Manuel Gonzalez Diaz (Instituto Universitario De Bio-Organica Antonio Gonzalez , Universidad De la Laguna de Tenerife Espagne)
Pr. Chabane Sari Daoudi (U. Tlemcen- Algeria)
Pr. Djaziri Rabah (U. Tlemcen- Algeria)
Pr. Mohamed Abdelhafid Hamidechi (U. Constantine - Algeria)
Pr. Lazouni Hamadi Abderrahmane (U. Tlemcen- Algeria)
Pr. Meddah Boumediene (U. Mascara- Algeria)
Pr. Gamel Ahmed Ibrahim (NRC, Gizeh, Egypt)

Pr. Roman Abderrahmane (U. Marrakech – Marocco)
Pr. Moussa Boudjemaa Boumediene (U. Tlemcen- Algeria)
Dr. Corinne vander Wauven (Institut de Recherches Microbiologiques Wiame, Brussels, Belgium)
Pr. Benmehdi Houcine (U.T.M. Bechar- Algeria)
Dr. Ibrahim Mehmeti(U. Prishtina – Kosovo)
Pr. Maazouzi Abdelhak (U. T.M Bechar- Algeria)
Pr. Makhloufi Ahmed (U. T.M Bechar- Algeria)
Pr. Abekhti Abd elkader(U.Adrar- Algeria)
Dr. Mebarki Lakhdar(U. T.M Bechar- Algeria)

Aims

Applied Biology in Saharan Areas (ABSA) aims at being the preeminent journal with high quality articles relevant to all those interested in applied Biology.

Applied Biology in Saharan Areas (ABSA) is a nonprofit, **open access online international journal**, published twice a year, which emphasizes on Applied Biology in Saharan areas. It will publish innovative research papers, review articles, notes/letters and short communications dealing with Biology. The journal is available in print and electronic format.

Major Topics

The journal will cover topics related to :

- Bioanalytical Chemistry
- Biochemistry
- Biotechnology
- Botany
- Cell and Tissue Cultures
- Cell Biology
- Environmental Chemistry
- Genetics
- Microbiology
- Molecular Biology
- Nutrition
- Phyto-Chemistry
- Plant Pathology
- Zoology

All inquired regarding ABSA should be directed to the attention of:
Pr. Ahmed Makhloufi ABSA journal Director : mahkloufi.ahmed@univ-bechar.dz

All manuscript submissions to ABSA should be sent through the e-mail:
absa.editor@gmail.com

To have an idea about the rules of publication, to download the scientific articles, and all what concern the journal you will find them on the following site:

<https://www.asjp.cerist.dz/en/PresentationRevue/554>

Research Articles **Page**

Uromastix Acanthinura: An Updated Bibliographic Review **1-9**

BOUCHERIT Chiraz

Chemical composition and Antimicrobial Activity of *Accacia tortilis subsp. radiana* Tar From Bechar region, Algeria. **10-26**

Makhloufi A¹, Mezouari A¹, Jesus G. Diaz², Benlarbi L¹.

Impact of geographic variation on the chemical composition and antioxidant activity of Algerian propolis **27-41**

Imane Kouadri^{a*}, Abdelkrim Rebiai^b, Hadia Hemmami^c, Bachir Ben Seghir^{c,d}, Soumeia Zeghoud^e, Djamila Berra^c, Rezzag Mohcen Bouchra^c

Classification of some date cultivars Algerian soft consistency according to their glycemic index **42-53**

Mimouni Yamina¹, Bayoussef Zahia¹, Siboukeur Oumelkeir¹

Antimicrobial And Enzymatic Activities of Endophytic Fungi Isolated From *Phoenix dactylifera* L. In The Region of Bechar (Algeria) **54-62**

DERKAOUI souheyr¹ and ZERAOUA Safinez¹
