Vol. 03, No. 02 2021

## Contents

page

---

1	Valuation of Local Materials in Road Construction in Arid Zones.....	115
	<i>Mustapha Akacem , Moulay Omar Hassan, Driss Djafari , Mohammed Abbou</i>	
	Models for evaluating the maximum power produced by a Photovoltaic generator.....	132
	<i>M.N. Amroun, K Salim, M.A. Ghezal, A.H Kacha, M Khadraoui</i>	
2	Dynamic behavior with comparative study of the parallel active filter commande.....	141
	<i>Moufid Mohammedi, Tahar BAH</i>	
	A New Neural Networks Approach Used to Improve Wind Speed Time Series Forecasting.....	151
	<i>Nawal Cheggaga , Abdellah Benallal , Selma Tchoketch Kebir</i>	
3	Study of optimization methods for monitoring the maximum power of a solar system.....	157
	<i>Salima LEKHCHINE, Ali BOUKERCHE, Tahar BAH</i>	
4	Detection of Faults in Photovoltaic Module in the Frequency Domain.....	166
	<i>Farid Tafinine , Fatiha Behloul</i>	
5	A family of adaptive filtering algorithms based on the variable step size.....	175
6	<i>Islam Hassani, Rédha Bendoumia</i>	
7	A Novel Approach for Energy-Efficient of WSN Using PEGASIS Protocol.....	190
	<i>Mohammed KADDI, Yamina MALOUKI, Moamen Adel Abdelfattah Alnatoor</i>	
8	Simulation and Optimization of a Wind Energy System in the Adrar Region.....	198
	<i>Razika ABBAS, Abdelkader Harrouz, Djamel Belatrache, Virgil DUMBRAVA</i>	
9	Renewable Solar Energy Coupled to a Brackish Water Desalination Plant: Efficiency and Optimization..	216
	<i>Asma ADDA, Salah BEZARI, Hadjer MAOUZ, Salah HANINI</i>	
10	Optimal PI Parameters Tuning for a DC-DC Boost Converter.....	223
	<i>Brahim Boussaid, Abdelkader Harrouz, Djamel Benmenine, Fadila Tahiri, Fatiha Bekraoui</i>	

## EDITORIAL BOARD

### **Honorary Editor-in-Chief**

**Prof. Ben amar Mohamed El amine**

Rector: University Ahmed Draïa – Adrar, Algeria

**Prof. Messaoud HAMOUDA**

Director: Laboratory of Sustainable Development and Computer Science (LDDI), University Ahmed Draïa – Adrar, Algeria

## Editorial Policies

### Focus and Scope

The coverage of AJRES D includes in all areas of Renewable Energy, Physics, Engineering, Electrical, Mechanical and other related fields:

- New Trends and Technologies for Renewable Energy
- Renewable Energy Sources as Wind power, Solar Energy, Biomass, Biofuel, Geothermal Energy, Energy Engineering
- Electrical (Power), Electronics, Applied Computing & Computer, Instrumentation & Control.
- Policies and strategies for Renewable Energy
- Production of Energy Using Clean Energy Sources
- Applications for Renewable Energy
- Novel Energy Conversion Studies
- Performance Analysis of Renewable Energy Systems
- Hybrid Systems.
- Renewable Energy Research and Applications for Industries
- Electrical Vehicles technology and Components
- Artificial Intelligence Studies in Renewable Energy Systems
- Computational Methods for renewable energy
- Machine Learning for Renewable Energy Applications
- energy generation, utilization, conversion, storage, transmission, conservation, management and sustainability
- Energy Savings
- Sustainable and Clean Energy

### Peer Review Policy

The AJRES D journal is an international journal published by University of Adrar is licensed under CC BY-NC-ND 4.0 CC icon, Faculty of Sciences and Technology, Department of Hydrocarbons and Renewable Energies. The research article submitted to this online journal will be peer-reviewed.

The practice of peer review is to ensure that only original and good paper is published. It is an objective process at the heart of good scholarly publishing and is carried out by all reputable scientific journals. Our referees play a vital role in maintaining the high standards AJRES D and all manuscripts are peer reviewed following the procedure outlined below.

### Section Policies:

#### Articles

Open  
Submissions

Indexed

Peer Reviewed

## Peer Review Process

The submitted papers are subject of a peer review process, the Editor-in-chief first evaluates all manuscripts. Manuscripts rejected at this stage are not original, have serious scientific defects, have poor English, or are outside the aims and scope of AJRES D journal. Those that meet the minimum criteria are normally passed on to at least three (03) experts for review.

AJRES D exercise a single blind reviewing, where the reviewers remain anonymous throughout this process. Reviewers are assigned to the paper according to their expertise.

Reviewers are invited to evaluate the manuscript for :

- originality
- methodologically
- Follows appropriate ethical guidelines
- Has clearly results and support the conclusions.

A final decision (accept or reject the manuscript) will be sent to the author along with any recommendations may include verbatim comments made by the reviewers. The reviewers advise the editor, who taking the final decision to accept or reject this paper.

## Publication Frequency

This journal is published 2 times per year, in June and December.

## Open Access Policy

Algerian Journal of Renewable Energy and Sustainable Development is an Open Access Journal. All articles can be downloaded free of charge for personal, educational and scientific purposes (Creative Commons license CC BY-NC-ND). This journal provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge.

## Publication Fee

This journal does not levy any charges to authors for submission, processing, or publication.

## Archiving

AJRES D utilizes the LOCKSS system to create a distributed archiving system among participating libraries and permits those libraries to create permanent archives of the journal for purposes of preservation and restoration.

## Publication Ethics

Algerian Journal of Renewable Energy and Sustainable Development (AJRES D) ISSN 2710- 849X is committed to supporting the highest standards of publication ethics. Authors who submit papers to AJRES D attest that:

- The submitted article is original.
- Not under consideration for publication.
- All Authors have been informed of the full content of the submitted article at the time of submission.
- The submitted article has not been previously published.
- The submitted article not under consideration for publication.
- Nothing in the article violates any right of privacy or infringes any intellectual property rights

### **Duties of Editors**

- Publication Decisions.
- Peer review.
- Fair play.
- Confidentiality.
- Declaration of Competing Interests.
- Vigilance over the Published Record.

### **Duties of Reviewers**

- Contribution to Editorial Decisions.
- Confidentiality.
- Alertness to Ethical Issues.
- Standards of Objectivity & Competing Interests.

### **Duties of Authors**

- Reporting Standards.
- Data Access and Retention.
- Originality and Acknowledgement of Sources.
- Multiple, Redundant or Concurrent Publication.
- Confidentiality.
- Authorship of the Paper.
- Hazards and Human or Animal Subjects.
- Declaration of Competing Interests.
- Notification of Fundamental Errors.
- Image Integrity.
- Clinical Trial Transparency.

### **Duties of the Publisher**

- Guardianship of the scholarly record.
- Safeguard editorial independence.
- Collaborate to set industry best practice.
- Provide editors with technical, procedural & legal support.
- Educate researchers on publishing ethics.

## Originality and plagiarism

Algerian Journal of Renewable Energy and Sustainable Development (AJRSED) Editorial Board recognizes that plagiarism is not acceptable and therefore establishes the following policy stating specific actions (penalties) when plagiarism is identified in an article that is submitted for publication in AJRSED. Plagiarism is defined as “the unauthorized use or close imitation of the language and the representation of them as one's own original work”. In the academic world, plagiarism is a very serious offense that can result in punishments such as a suspension or expulsion.

All submitted papers will be checked on their similarity via plagiarism software.

### Copyright:

The journal allows the author(s) to retain publishing rights without restrictions  
The journal allows the author(s) to hold the copyright without restrictions

# From the Editor

**Abdelkader Harrouz**

Dear Colleagues,

On name of the editorial board of Algerian Journal of Renewable Energy and Sustainable Development (AJRES D), I would like to share our good news to publish the first issue Vol. 3 No 2 of AJRES D. My special thanks are for members of editorial board, editorial team, referees, authors and other technical staff. Please find the first issue of Algerian Journal of Renewable Energy and Sustainable Development at

<https://ajresd.univ-adrar.edu.dz/index.php?journal=AJRES D&page=issue&op=view&path%5B%5D=23>

We invite you to review the Table of Contents by visiting our web site and review articles and items of interest. AJRES D will continue to publish high level scientific research papers in the field of Renewable Energy as an international peer reviewed scientific and academic journal of Ahmed Draia University.

Thank you for your interest in our journal,

***Dr. Harrouz Abdelkader***
